

# Whiteshell Community Club Farmer's Market Vendor Application 2022

## **General Information**

The 2022 WCC summer market season will run every Tuesday, July 5<sup>th</sup>-Aug 30<sup>th</sup>, 9am-2pm. Electrical is still available but extremely limited and will come with a fee (details still being finalized), first come first served.

As in previous years, if a vendor would like to sell for more than one company/business they are required to apply for two spots.

Spots can not be traded/transferred between vendors.

\*\*Although Covid restrictions are no longer at play, the WCC expects vendors (and the public) to operate and conduct themselves in a safe manner with regards to public health. It is expected that everyone show respect for people's comfort levels and practices in trying to protect their health and others. The market is not a platform to discuss or debate policy or ideologies, keep your opinions to yourself.

**All vendors are expected to familiarize themselves** with the Manitoba Farmer's Market Guidelines for products that can be sold at a market; how they must be prepared and packaged. Vendors wishing to sell items not on the list must obtain their own health permits and licences.

**If you are caught selling items you have not listed in this application you will immediately have to put them away and may be asked to leave the market.**

For more information please contact our local Public Health Office Carmen Cross at [Carmen.cross@gov.mb.ca](mailto:Carmen.cross@gov.mb.ca)

**By signing this application you have agreed that you are familiar with the regulations and will abide by them.**
